## THE PRESIDENT COMMENTS

November already. This year is just zipping by. I hope everyone had more treats than tricks for Halloween. We have a real treat in store for you at our next general meeting. That's right, time to look in the garage, the basement, and in all the drawers for those treasures we all have been waiting to sell at the fall C.F.M.C. auction. I know I'm really looking forward to it.

WE have a new slate of officers some old, some new who will be taking office at our December meeting. Please keep in mind to show your support and cast your vote at our December meeting.

If you have been listening to our information nets on Tuesday night you will know that Wayne W9BBB has burned in the new 220 south machine and put it back in service at the Worth site. All reports have it working very well with great coverage. If you have a 220 rig in mothballs lying around the house why not fire it up and check out the new 220 south repeater.

I would like to wish all our members a Happy Thanksgiving and I'm looking forward to seeing you at our next general meeting.
